Dear Colleague,

Thank you for your enquiry regarding membership of the Association. Membership is open to counsellors and psychotherapists and those in training or who use counselling skills in their work. I enclose our Statement of Objectives and Membership Criteria and a membership application form.

The Association runs training workshops and publishes a regular newsletter as well as the annual Directory of qualified counsellors and psychotherapists. If you decide to become a member you will receive our Newsletters and workshop information.

If you would like to join please complete the enclosed application form and return it to me with your cheque. The membership fee due is £15.00 and your membership will run until 31 January 2008. Cheques should be made payable to **bacpa**.

Members receive an invitation and application forms to enter the directory around the end of February each year. You do not need to send details of your directory entry until you receive the invitation. If you have not received your invitation by the end of April 2007 please contact us without delay. The cost of entry is currently £30.00..

Yours sincerely
